

# CREATIVE UI DESIGNER

(M/F/D)

RCKT.

## What awaits you

We are looking for a smart and creative UI designer (Product & Web) with a lot of motivation to develop our way of working, to create inspiring products and websites and to advance the development of new user interfaces together with our interdisciplinary teams.

# What you bring to the table

- Curiosity, team spirit, commitment, creativity and above all: a positive attitude :)
- A passion for UI design, contemporary typography, interaction design, novel user interfaces and technological trends.
- Excellent visual design skills and experience in implementation within legal branding/CI guidelines
- The desire to understand the big picture and translate its vision into user-centric interaction design.
- A clear understanding of the requirements of different interfaces, cross-browser compatibility, and the creative and user-oriented derivation of designs for different output media and sizes.
- Excellent software knowledge with Adobe Creative Cloud programs
- Experience in creating wireframes and interactive prototypes with programs like Adobe XD, Sketch, Invision, FramerX or Figma
- Good organisational skills and an eye for detail
- Fluent German and/or English, spoken and written

## Plus:

- Interest in motion design and/or the ability to create complex UI animations with programs such as Adobe After Effects.
- Basic knowledge & good understanding of front-end development (HTML, CSS, JavaScript, UI-oriented libraries) and technological standards (W3C, accessibility)
- A clear understanding of content management systems and principles of search engine optimisation
- Passion for opening up new user interfaces such as Voice UI, Chatbots, VR and AR applications

# What we offer you

- As part of our interdisciplinary innovation team, you will be directly involved in every project and will not only be able to demonstrate your talent, but also take on direct responsibility and further develop our work.
- The unique chance to implement your skills and ideas with major brands and customers such as Puma, Deutsche Bahn, VW or the Federal Ministry of Economics and Technology.
- Co-operation with an international and interdisciplinary team
- Support for your personal development
- A fair wage, free soft drinks and muesli as well as a great office with start-up spirit
- A great place to work in the heart of Berlin
- Flat hierarchies
- Weekly Home Office Days
